Once you pick a favorite format, it becomes your default format (I think).

Note I haven't taken the time to review the Information regarding the changes that occurred about beginning of Sept. (Every time a new modification is planned or implemented, there is a discussion that only FTH Admins can review - but that anyone with an account on <https://support.toastmastersclubs.org/> (Support& Development) - I joined as VPE 3 years ago just so I could ask questions regarding Agendas.

Cathy, If you'd like to take over a FTH Administrator I'm willing to retire (I've been doing it for 3=4 years). I can reassign it to you in June, or even earlier. (I hope to resume Behind the Lectern, and also create a Anniversary Party webpage in November. I just don't think sharing the Admin login password is a good idea.
