You all didn't get this and so John suggested I try it again.

I'm also wondering if officer terms are up at the end of June - if we don't meet tomorrow May 5th then who's going to figure out how elections are going to be run?

Thanks MarRem

Hi Ashley,

For some reason I was under the impression that we were going to have monthly officers meetings.

And given how much wasn't really resolved at the last officer's meeting I think it would be really important for the benefit of our club and members to have us work getting together.

Thank you for your consideration.

Warmly,

Hi, I'd like to have our next officer meeting for 7pm, Mon on 6/2.

Thinking about it, I think every other month is a good cadence, and we can share any updates between those officer meetings via e-mail. If you have anything you'd like to share, please go ahead.
