Introducing FreeToastHost 3

In January of 2004, we introduced FreeToastHost to the Toastmasters community. Since that time, FreeToastHost has been helping clubs attract new members, operate more efficiently, and keep current members informed and interested. Over 11,000 Toastmasters clubs around the world benefit from the no-cost websites and on-line tools provided by FreeToastHost such as the meeting agenda, member directory, e-mail lists, club calendars. In August of 2011, we introduced FreeToastHost 2 a generational update in the platform for Toastmasters Club and District websites. In August 2018 we introduced FreeToastHost 3 the next step in Toastmasters Club and District websites with responsive templates and changes to support the EU GDPR laws.

FreeToastHost is a webhost specifically for Toastmasters clubs and districts anywhere in the world. Each website comes with easy-to-use web-based software ideal for any Toastmasters club. Providing your club is listed on Toastmasters.org, there is no-cost for this service! FreeToastHost was created by a Toastmaster, and is maintained and supported by a group of Toastmasters, with the cooperation of Toastmasters International. FreeToastHost websites use the domain names ToastmastersClubs.org and ToastmastersDistricts.org for the club and district websites, respectively.
