Bellingham Evening Toastmasters — Agenda template: BET Hybrid Meeting
This row is a section header
Role
Timer's Report
Links this row to a club role. When a member is assigned to any row with this role, all other rows using the same role in that meeting are filled automatically.
Role name
Timer's Report
What appears on the agenda. Can differ from the club role name.
Default title
Optional. Pre-fills the title line under the role name on every new meeting built from the template — for a row whose sub-line never changes, e.g. "Club business and announcements". On a prepared-speech row the speaker replaces it with their own speech title.
