This is what I see when I click on the print icon on our club website:

10:00AM	**Sergeant at Arms**
10:02AM	**Toastmaster of the Day**
10:07AM	**Speaker #1**
10:13AM	**Speaker #2**
10:19AM	**Speaker #3**
10:25AM	**Table Topics Master**
10:35AM	**General Evaluator**

This is what actually prints. My main concern is to get rid of the bold (thick line) it is unnecessary and wastes ink. Where did the grey/white shading go?
