

Hello Susan Brushafer - Club Coach:

Click on the link below to access your club website as a member. The site will remember you for a day, as long as you are using the same computer/device and do not clear your cookies. If you wish to access from another computer or device, just reauthenticate, or set a custom password by clicking the link below. If you have requested a password reset multiple times in succession, note that only the link in the \*last\* email sent will work.

[NOTE: if the above URL is wrapping in your e-mail and not fully linked, you can copy and paste the URL \(without the <>\) in your web browser's address bar.](#)

[If you have any questions, let me know.](#)

[Thank you and enjoy our club website!](#)

I clicked the link and received the following. I filled it in with my password. The 'Set Password' button is grayed out so nothing ever happens.

### Create Your Password

There was an error with your login -- the Session ID attached to your e-mail (KYqLn1baYeLaYT0PNSC27nmzibr) was not valid. Please check to make sure the full link *from the most recent email* was used when clicked.
